

GC Next On journey with Jesus: all generations • many cultures • new places.

GC Next is the shared domestic mission of Grace Communion International (GCI) churches in the United States.

Journeying with Jesus, together

GC Next is about reaching across boundaries of age, culture, and location to make known God's love for all and to help those God calls to follow Jesus.

We believe that Jesus, in the power of the Holy Spirit, is already ministering in these boundary-breaking ways. We seek to share in what he is doing.

Our commitment is to journey toward *GC Next* together. Doing so means partnering to help existing churches re-mission, and to start new churches.

Outfitted for the journey

Three GCI Church Development ministries outfit U.S. churches for this missional journey with Jesus:

Church Multiplication Ministries

Outfitting districts, churches and ministers for starting new kinds of churches for all kinds of people in all kinds of places.

Generations Ministries

Outfitting churches and ministries for a journey with Jesus that includes young believers and young leaders.

Ministry Development

Outfitting churches for discipling ministry with Jesus.

Forward progress

By God's grace, we are taking significant steps toward *GCNext*. Here are three important areas of progress:

1. Existing churches transformed

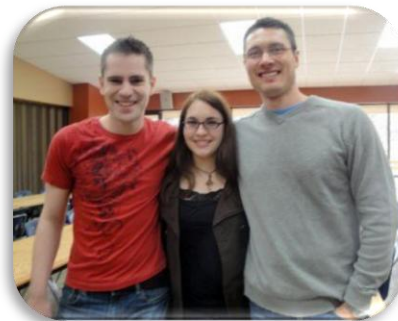

Established churches are gaining new vision and skill through *Transformational Church Consulting* and related training.

2. Young pastoral leaders developed

Young emerging GCI leaders are being interned to serve as pastors of existing churches and planters of new ones.

GCI pastoral interns: Skyeler Lewkowicz in Salem, OR; Hillary Irueta in Greensboro, NC; and Jason Frantz in Cincinnati (West), OH.

3. New churches started

New church planters are being trained and new GCI churches are being planted in the U.S.

Church planters Dishon and Afrika Mills (and children) are starting Redeemed of Christ Church, a new GCI congregation in Randolph, MA
